CUSTOM AND CORPORATE COLLECTION

"When the LCA decided to do a custom collection, vineyard vines was our first choice. From the initial brainstorming session, I was treated like an old friend. We could not have asked for better results. Our bow tie waiting list speaks for itself."

JESSICA SULLIVAN
Director of Marketing and Fellow Relations, Litigation Counsel of America

"We've used vineyard vines for custom designed gifts for the last four years. The ties have been such a hit, they've made several appearances on CNBC and have been discussed on blogs. Thanks, vineyard vines!"

FLORENCE CHILDRESS MOON
Director, Institutional Business Development

"...lovely clothes. Needless to say, the shirts and ties are great!"

AL ROKER
NBC Weatherman and Entertainer

"My God, folks! The work of each of the items is so fine that I am sure my handsomely adorned crew will be stopped to get directions to your store. I wear them with such pride I promise that I shall not charge anything for the references I shall be passing along."

WALTER CRONKITE
Television Pioneer and CBS Legend

"Yes, it is true. The tie does make the man."

JAMES MCNERNEY
Former Chairman, President and CEO of The Boeing Co.

"You guys were great. Our folks loved the ties and scarves."

JOHN KERRY
68th US Secretary of State

"Those wonderful vineyard vines products just reached my desk and I just wanted to write and say thank you."

GEORGE H.W. BUSH
41ST President of the United States

EVERY GIFT SHOULD FEEL THIS GOOD

Ever since our first day in business in 1998, we've made sure to do two things: make quality products that people like to wear and offer the best customer service possible. So, whether you're looking for awesome corporate gifts or making sure your student body stays in uniform—or anything in between—we've got you covered.

It's been an amazing ride since we sold our first ties out of our Jeep, and we couldn't be happier. We love what we do and do what we love, and we'd love to help you share your support for a cause or inspire your employees with just the right design for you!

Thanks for your support.
